

PROMOTION

The Jefferson Parish School Board shall require, and the Superintendent shall verify, that all employees considered for promotion possess the appropriate qualifications and/or certification necessary for the position.

PROMOTION OF A TEACHER

Whenever a tenured teacher is promoted by the Superintendent from a position of lower base salary to a position of higher base salary requiring the holding of a teaching certificate, employment shall be based on a written contract containing performance objectives. Such contract shall be for a term of not less than two (2) years, nor more than four (4) years, except when such employment is for a temporary position. The Superintendent shall report terms of the contracts to the School Board.

Any employee thus promoted, and who enters into an employment contract as stated above, shall not gain permanent tenured status in the position to which promoted.

OTHER EMPLOYEES

Decisions regarding promotion of other employees shall be made by the Superintendent.
