One day Jolly Santa was hungry.

He went to the kitchen and

ate some peanut butter.
He looked in the mirror and
saw his hat had turned brown.
He was so upset he ate blueberries and to his surprise, his hat turned blue.
He was so upset he ate corn and to his surprise, his hat turned yellow.
He was so upset he ate broccoli and to his surprise, his hat turned green.
He was so upset he ate a plum and to his surprise, his hat turned purple.
Finally he was so thirsty he drank some Kool-Ade and his hat turned red again!
