I picked a ____________ to go on my stocking.

Today we used an All turn-it device with a single switch to make choices. A rocking switch with yes and no was also used. Various other communication systems were used such as eye gaze, gestures, picture symbols and vocalizations.

When talking with your child about what we made in class let them feel the items and see them. Try to have your child show you other items similar to these pictures or you show them to your child and have them chose like or don't like.
