Directions

-Print and laminate the pages. The repetitive page is page 8. Copy this page to go in between the other pages.

-This is a great activity to use with the actual items. I make a Mardi Gras box and get the actual items. Then we sing a song:

“Beth found the beads, the beads, the beads, Beth found the beads and put it in the box.”

-Then the students tell us what they found and where they put it.

-You can also have the students bring items to add to the box and at the end of the week sing the song.
