## District Wide Parent Involvement Policy

### Parental Involvement is necessary

JPPSS recognizes the importance of parental involvement for academic success. Research shows that parental involvement increases student achievement.

### Title 1, Part A programs

The school district will put into operation programs, activities, and procedures for the involvement of all Title 1 schools. Programs, activities and procedures will be planned and operated with meaningful consultation with parents and participating children.

### Non English Proficient

To the extent practicable, the school district will provide full opportunities for the participation of limited English proficiency, parents with disabilities, and parents of migratory children. Including information in alternative languages.

### Parent

- The term parent refers to any caregiver who assumes responsibility for nurturing and caring for children including parents, grandparents, aunts, uncles, foster parents, stepparents and others.

### Concept of Parental Involvement

Parental involvement includes programs, services, and/or activities on the school site as well as contributions of parents outside the normal school setting.

### Environment

It is the responsibility of the school to create a welcoming environment, conducive to learning and supportive for comprehensive family involvement programs that have been developed jointly with parents/families.

### For further information and list of suspendible offenses

Parents can refer to the student policies handbook for suspendible offenses and their corrective actions on the school system website at [Jpschools.org](http://Jpschools.org) under Quick Links.
