

Child's Name _____

Truman Middle School

Grade entering (2017—2018 school year _____ Child must be entering 2nd grade for the 2017 - 2018 school year.

Class preferences: If attending ½ day mark your child's top three choices 1, 2, and 3. Mark three alternate choices 4, 5, 6.

Students attending full day should mark 6 choices and alternates 7, 8, and 9. We will attempt to give each student his/her top three choices if teacher scheduling and class size so permits. Schedules will be mailed the week before camp begins.

____ Cartooning _____ Chess _____ Cooking _____ Crafts Galore

____ Dance Movement _____ Drawing I _____ Jewelry Making _____ Karate

____ Music/Chorus _____ Painting _____ Play Production _____ Sewing _____ Soccer

GRADES 4TH THROUGH 7TH ONLY:

____ Creative Writing _____ Digital Photography _____ Drawing II _____ Woodworking

COURSE DESCRIPTIONS:

Cartooning: Students will learn arrangement of familiar shapes to create “cartoon” characters. The drawing, usage and history of animated art from filmed sequences to sound effects and music will be explored

Chess: Learn the fundamentals one needs to become a great Chess player. This includes the board itself, pieces and basic strategies. They will also learn about the history of Chess along with some current events occurring in the Chess world.

Cooking: How to create snacks, small meals, and learn good nutrition at the same time. The use, function and safety of kitchen appliances will be explored. All materials provided and they can eat their masterpieces and their mistakes.

Crafts Galore: Study a variety of crafts using different techniques and your imagination! (i.e. using every day products, nature)

Creative Writing: (4th - 7th) Our Creative Writing class offers innovative creative writing activities that keep writing fresh and fun for students. It enhances their skills and develops a sense of imagination.

Dance/Movement: Exploration of several dance styles - ballet, modern, jazz, creative, ethnic and folk. For beginners/inexperienced to intermediate level students. Focus also on music appreciation and performance with costumes and several dance routines.

Digital Photography: (4th - 7th) This Class is designed to introduce students to digital cameras and the components of it. Each student will have the opportunity to create his/her own scrapbook and learn to crop and enhance selected photos.

Drawing I: Any beginning drawing student and students entering 2nd grade are eligible. Course will cover drawing techniques and mediums geared to the younger or inexperienced drawing student.

SUMMER ARTS CAMP 2017

WESTBANK CAMPUS

A unique three-week program offered by the Jefferson Parish Public School System and Title I for 2nd - 7th graders. Classes in visual and performing arts, dance, pottery and woodworking skills are taught by professional artists. Private and parochial school students are welcome.

COURSE DESCRIPTIONS (continued):

Drawing II: (4th - 7th) For students who have taken drawing classes previously. Drawing II will use methods of right brain studies as a focus. Drawing will include a combination of mediums including charcoal, pen and ink, and graphite as well as others. Students will be pushed to their creative extremes in multi-media explorations.

Jewelry Making: A course in the design, construction and techniques used to make earrings, necklaces, pins, barrettes and bracelets.

Karate: Learn the basic moves and fundamentals.

Music/Chorus: Orientation to aspects of music, exploring sounds of instruments and fundamentals of music structure. Hands - on related activities and chorus.

Painting: An introduction into the techniques/theory of mixing colors. Students will use tempera paint and other mediums in their discovery of color and painting designs and objects.

Play Production: From painting and drawing scenery to scripting. Play Production involves all the elements of putting on a play. Participants will perform their play for students and parents at the end of the camp.

Sewing: Learn the Art of sewing for beginners using learning tools such as patterns, fabric and measurement.

Soccer: Learn the fundamentals of soccer.

Woodworking: (4th - 7th) How to handle tools safely in the workshop and introduction to how tools work. Students will construct several simple projects. For the beginning woodworker.
