

Algebra I Year at a Glance

Unit	Title	Approximate Number of Days
1	Single Variable Equations and Inequalities	5 days
2	Linear Equations and Inequalities	5 days
3	Systems of Equations and Inequalities	10 days
4	Evaluating Functions	4 days
5	Linear & Exponential Functions	4 days
6	Arithmetic with Polynomials	4 days
7	Solving Quadratic Equations	9 days
8	Quadratic Functions	9 days
9	Radical Functions	4 days
10	Piecewise Functions	4 days
11	Bivariate Statistics: Linear, Quadratic and Exponential Function	4 days
12	Univariate Statistics	4 days
