Criteria for Extraordinary Circumstance Transfer

1. Anyone attending a school outside of their attendance zone with an approved **Extraordinary Circumstance Transfer** waives school transportation services. Therefore, transportation to and from a receiving school shall be the responsibility of the transferring student or his/her parent(s)/legal guardian(s).
2. An extraordinary circumstance transfer request may be granted at any time during a school year upon written application of the student's parent(s)/legal guardian(s) where the reason for the transfer is described in writing and submitted to the Compliance Office of the Jefferson Parish Public School System prior to the effective date of the transfer and the transfer request is thereafter approved by the Compliance Officer.
3. Each extraordinary circumstance transfer request must be accompanied by supporting documentation provided by a non-related person such as a treating physician, social worker, or other person unrelated to the person submitting the request and the student on whose behalf the request is made.
4. If your request for transfer is denied, the parent(s)/legal guardian(s) may appeal to the Transfer Committee **by checking the appeal's line below**. * The decision of the Transfer Committee shall be final.
5. An extraordinary circumstance transfer may be approved to permit a sibling to enroll in the school of enrollment of a student receiving severe handicap services when such services are not available at the severely handicapped student's attendance zone school.
6. Students residing on the east side of the Mississippi River enrolled in schools operated by the School District shall be assigned to attend schools situated on the east side of the river. Students residing on the west side of the Mississippi River shall be assigned to attend schools situated on the west side of the river.
7. An extraordinary circumstance transfer is only valid for the school year in which it is approved. Students seeking an extraordinary circumstance transfer in any subsequent school year must reapply.
8. No extraordinary circumstance transfer shall be approved where the reason in support of the transfer is exclusively based upon pre and/or post-school child care considerations.
